Reaching Out, Providing Help, Giving Hope

January 2010

Dear Friends,

In memory of Lizzy Frederick, the Frederick family, with friends Jay Franciscus, Pete Katsafanas and Andrew Patterson, will again host "*The Lizzy*," a golf event benefitting children with Cornelia de Lange Syndrome (CdLS). The event takes place September 18, 2010, at the Pittsburgh National Golf Club, a championship facility located in Gibsonia, PA.

Attendees enjoy a continental breakfast, beverages on the course and dinner that afternoon. There are door prizes, Chinese auction items and a silent auction, including autographed Pittsburgh Penguins, Pirates and Steelers memorabilia.

Please consider joining us for golf, donating a silent auction item or sponsoring part of the event. With your tax-deductible gift, your business gains positive exposure and helps make a difference in the lives of all children affected by CdLS. All funds go to the CdLS Foundation, which provides free services and support to families of children with CdLS.

To learn more, contact Jay Franciscus at 412-655-3573 or jay_franciscus@timeinc.com ; Pete Katsafanas at 412-492-8001 or pete_katsafanas@timeinc.com.

Sincerely,

Gail Speers

About Lizzy

Lizzy was a loving child who lived her life to the fullest despite the physical limitations and serious health complications associated with CdLS. She lived with a smile and a pure spirit that touched all who had the pleasure of knowing her. Lizzy passed away in 2007, at age 13.

The golf tournament honors her memory and all children affected by CdLS.
