

TAG THE DAY FOR CdLS

to benefit children with Cornelia de Lange Syndrome

Date:

Time:

Location:

We hope you can join us at our yard sale to help raise funds and awareness for children with Cornelia de Lange Syndrome (CdLS), a little-known genetic syndrome. There is no cure.

If you would like to donate item (s) to this event, please contact for more information. Your outgrown, unused, and once cherished items that are consuming your closets, basements and attic will help provide meaningful services to support families and children with CdLS.

CdLS Foundation

Cornelia de Lange Syndrome Foundation, Inc.
Reaching Out, Providing Help, Giving Hope

The CdLS Foundation is a 501(c) (3) non-profit organization and exists to ensure the early and accurate diagnosis of CdLS, promote research into the causes and manifestations of the syndrome and help those affected by the syndrome make informed decisions through their lives.
