

Call for Abstracts

Eighth Biennial Cornelia de Lange Syndrome Scientific & Educational Symposium

**June 27-28, 2018, Minneapolis, MN
At the Minneapolis Marriott City Center Hotel**

The one-and-a-half day meeting features talks by leading researchers on the molecular and cellular functions of cohesin, and the clinical and educational aspects of CdLS. The meeting encourages interactions between basic scientists and clinicians.

Submitted abstracts determine the platform talks.

Applications from research fellows, students, women, and minorities are encouraged. The deadline to submit an abstract is February 15, 2018.

Submit abstracts and questions to kimballcdls@gmail.com
or call Amy Kimball at 443-849-3012.

The Symposium is held in conjunction with the CdLS Foundation's National Family Conference (June 27- July 1). CME/CEU credits are offered.

For more information about CdLS and the CdLS Foundation, visit www.CdLSusa.org.
