

First Giving Template for Phantom Marathon Fundraising Participants

Friends,

Thank you for taking the first step to support my Phantom Run by visiting my fundraising page.

As a Team CdLS Phantom Runner, I have committed to raise \$262 by **[Insert Deadline]** in support of the dedicated Team CdLS runners participating in 5Ks, half marathons and full marathons throughout the country.

What does this mean? While I'm not taking on the same type of challenge of completing a marathon (26.2 miles), I'm raising funds. Team CdLS runners dedicate countless hours to train and face obstacles throughout their races. Drawing from their inspiration, I've taken on this challenge to support individuals with CdLS and make them the real winners.

Cornelia de Lange Syndrome (CdLS) is a little-known genetic condition. It causes a range of physical, cognitive and medical challenges. Individuals often struggle to perform everyday tasks that we take for granted, like walking, talking and eating. There is no cure.

[Share a personal story here]

Please support my phantom run by making a donation of \$26 or more to help me, and Team CdLS, change the lives of others. Donating through this website is simple, fast and totally secure. It is also the most efficient way to support my fundraising efforts.

Thanks for being a part of my Phantom Marathon. Your support means a lot; not just to me, but to children with CdLS and their families.

Thank you.
