

Since 2000, Team CdLS has raised more than a \$1.4 million dollars to advocate for individuals with Cornelia de Lange Syndrome (CdLS). It's the Foundation's largest fundraiser, and nearly 90 percent of the money raised directly supports services for people with CdLS and their families.

How you can help

When you sponsor Team CdLS, you support a team that dedicates hours to train and raise funds for programs that are vital to individuals with CdLS and their families. Team CdLS races range in length from 5Ks to full marathons, including the renowned Bank of America Chicago Marathon and the TCS New York City Marathon.

As a Team CdLS sponsor, your company logo is seen by millions of runners and race spectators around the country. Other benefits include presence on the Team CdLS web page, signage at related events and inclusion in all publicity.

Team CdLS Sponsorship Levels and Benefits

Levels		Article in <i>Reaching Out</i>	Logo on program Web page	Listing in Annual Report	Inclusion in related publicity	Logo on event t-shirts	Logo on related materials	Signage at pre-race gathering (if applicable)	Goodie Bag inclusion
