Other Ways to Help the Foundation

Special events are an important and effective way to help the Foundation raise funds to provide services and programs to all individuals with CdLS and their families.

Events organized by volunteers generate approximately one-third of the Foundation’s annual budget. They provide an opportunity to socialize and meet new people.

Other events you can organize to help the Foundation gain public attention and raise fund include:

- 5K Run/Walk
- Golf Tournaments
- Bowl-a-Thon
- Bake Sales
- Yard Sales
- Dinner Dances
- and more

Guidelines for planning a successful wine-tasting event
**Tips to Organizing a Wine Event**

- Plan in advance by creating a timeline. Be sure to allow yourself enough lead-time.
- Pull together a committee to help. Recruit friends, family and co-workers to serve.
- Develop a budget of expenses and anticipated revenue. Include in-kind donations of goods and services you expect to receive.
- Get the word out. Make sure to let your community know about your event.

"It was a wonderful evening. Not only did I enjoy sampling wine from a local vineyard, but I had the opportunity to learn about a worthy cause that helps children."

– Connecticut wine-tasting event attendee

**Vines, Wines & Meaningful Times**

What better way to raise money than to organize a special wine-tasting fundraiser. Whether your audience includes casual wine consumers or die-hard aficionados, most people will be excited to learn more about local wines, as well as those from regions around the world.

Attention to detail, a strong working committee and devoted volunteers will ensure that your event is a huge success.
